APPENDIX H

Slide Number	Shot	Variations	Picture taken? (X)			Initials	Date
1002	The photographs should represent typical WIC staff. There should be 4 photographs (one for each quote). Photographs should reflect diversity of staff in age, race, gender, and what they are doing. All should be smiling. Photo1: WIC staff member in "scrubs" holding very young baby. Background should be clinic setting background. Appearance should reflect staff engaged in nutrition assessment of participant. Photo2: WIC staff member headshot – someone who reflects racial/ethnic diversity. Photo3: WIC staff member (full or ¾ body length) appearing to be answering a question or thoughtful. In casual office attire. Photo4: WIC staff member in caring embrace of young WIC participants (2 participants ideal – 2 babies of different racial/ethnic backgrounds or one baby, one child). "Care giving" look is what we are shooting for.	Photo 1: Portrait; close-up; indoors Photo 2: Portrait; close-up; indoors Photo 3: Portrait; indoors Photo 4: Portrait; close-up; indoors
